

MONTHLY UPDATE

HAPPY JULY EVERYONE!

Hey everyone,
Quarter 2 has come and gone and man, have we been busy! Our team here at RME has been tirelessly working on some of the biggest projects for Boise and SLC! In June, Phase 3 of Treefort Music Hall's Rooftop Bar, Hap Hap, opened to the public and it was a blast! We are so grateful for all of our employees and how hard they work in order to keep our clients happy as well as getting these amazing projects to the finish line. Well, that's all for now. Check out the rest of our update to see all the amazing projects we have going on here in Idaho and in Utah! Don't forget to leave us a review on Google & BBB if you've had a great experience working with us!

NOW OFFERING: VIRTUAL ESTIMATING

VIRTUAL ESTIMATING WITH STREAM

"Stream helps companies connect with their customers more meaningfully – reducing waste and inefficiencies and making knowledge and information more accessible to all. Our tools help support, visualize, and maintain our home and world." With Stream, RME will be able to cut down on driving time to respond quicker to customers needs. RME will be able to virtually make estimates for smaller projects to create quicker turn around for our customers.

Schedule a safer virtual site visit. No appointment windows, no waiting.

We will send you an SMS link to a fast, secure video call and tour your space.

Show us exactly what you need with no fuss and get quotes in as fast as one day.

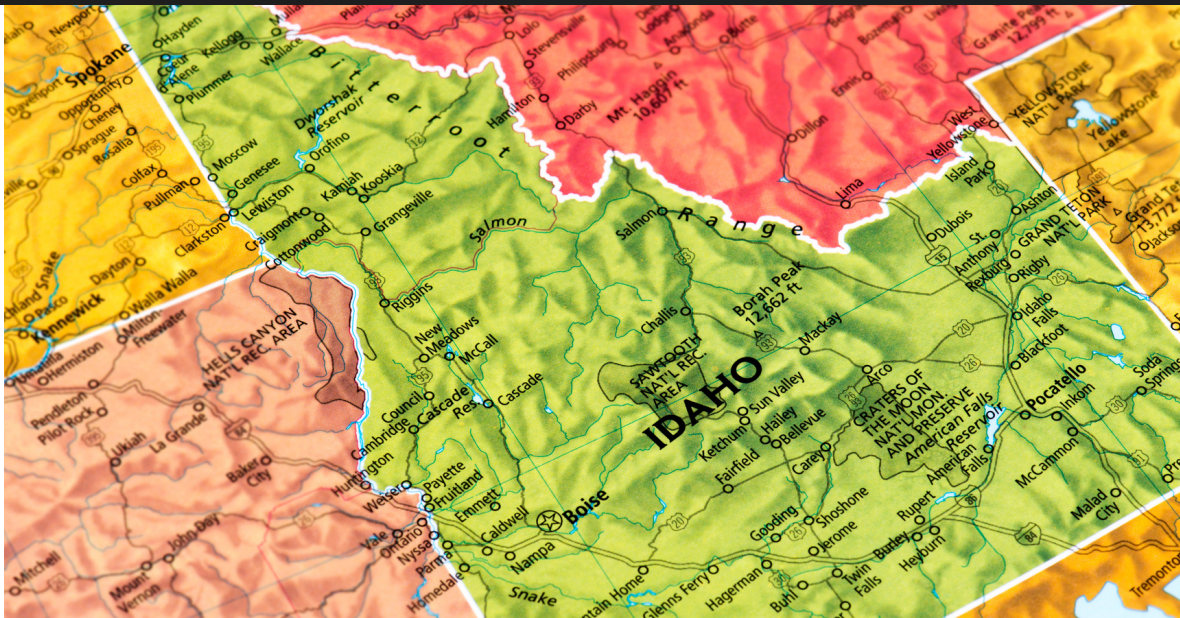

WHAT THIS MEANS FOR CUSTOMER

Do you have a hot tub installation that you need help with but don't want to wait months for an electrician to be able to come out just to only give you a quote? With Stream, RME will be able to talk to customers through video to see the layout of the project, save the video, and make an estimate in a quicker turnaround time. It's as easy as picking an available time, receiving a call link, and virtually showing our estimators your projects.
